

Driver Cited As Cars Wreck On On Local Road

Capital Cars Are Involved In
Separate Crashes
Near Here

Vernie Ralph Cann, 30, Sacramento, escaped with only minor injuries when the car he was driving was demolished in a mishap four miles east of Truckee Saturday evening at 6:15 o'clock.

State Patrolman William Gautsche, who made the investigation, said Cann apparently was driving at an excessive speed when the vehicle got out of control and left the highway. It broke off a power line pole 26 feet from the highway. The driver, who was cited for speeding, being on the wrong side of the highway and not having his car under control, was taken to a Reno hospital by the Truckee ambulance.

Girl Injured

Perle Eugene Reedy, 18, Sacramento, was cited for speeding and driving on the wrong side of the highway after his car crashed into an icy snow bank on the Truckee-Tahoe highway Sunday afternoon. Sharon Francis, 16, also of Sacramento, suffered injuries and was treated by Dr. L. D. Nelson.

State Patrolman T. F. Sheehan said the car skidded on the wrong side of the highway a distance of 60 feet before hitting the bank.

FIVE HELD HERE FOR FEDERAL AS GUN IS LOCATED

Five Chicago youths, ranging in ages from 17 to 19, are being held in the local jail awaiting action by the FBI on charges of transporting a stolen car across the state line. The five were nabbed by Patrolmen William Gautsche and Martin Sturcke at the quarantine station. They were accused of stealing the car in Chicago for a trip to California on April 6.

Search of the car revealed a .32 calibre revolver hidden over the glove compartment.

REBEKAHS HONOR OFFICIAL VISITOR

Noble Grand Pearl Heller presided at the regular meeting of Naomi Rebekah Lodge last night. District Deputy President Jean Brass from Nevada City made an official visit. Deputy Marshall Pauline Mullis and other members accompanied her on the trip. The lodge presented Mrs. Brass with a gift and a corsage.

Gwen Beach was given a small gift from the lodge as a going away present. Refreshments and an Easter basket hunt followed the meeting.

The parcel post party will be held April 23 at 8:45 p.m.

Hugh Weinand Joins Osborn's Service Staff

Hugh Weinand, who had been employed by the Coca-Cola Bottling Company during the past year, is now working at Osborn's Associated Station, replacing Frank Forrest, who has left with his family for Sacramento, where they will reside. Forrest is employed in a service station in the capital city.

Son is Born To Clifford H. Ellises

Mr. and Mrs. Clifford H. Ellis are the parents of a son, born in a Reno hospital at 1:45 p.m. Saturday, April 5. The new arrival has been named Christopher Clifford and weighed 7 pounds 4 ounces upon arrival. The lad and his mother were welcomed home by his sister, Deborah.

DAYLIGHT SAVING TIME ON APRIL 27

Daylight Saving Time becomes effective in California on the last Sunday of April each year—April 27th this year. It ends on the last Saturday in September—the 28th. So, by the end of this month you'll have an extra hour of gardening—providing the snow is gone sufficiently to permit this outdoor activity.

Bread Truck is Stolen, But Recovered Quickly

A short time after it was stolen from the main street in Truckee, a ton and a half bread truck operated locally by Norman Albee for the Continental Baking Company of Sacramento was recovered near Applegate on Highway 40.

Albee had left the truck parked near the Donner Theater and a few minutes later returned to find it gone.

The California Highway Patrol recovered the vehicle which was towed to Sacramento by the owner company.

Sierra Sun

AND
Truckee Republican

83rd Year No. 19

Truckee, Nevada County, California Thursday, April 10, 1952

Since 1869

Sierra Sun Must Boost Price With Increased Costs

Due to continuing increases in the cost of materials and other production and distribution expenses, the subscription price of the Sierra Sun and Truckee Republican must be increased to help offset the raises.

Beginning Thursday, May 1, the yearly subscription rate will be advanced from \$2.50 to \$3.00, with six months subscriptions going from \$1.50 to \$2.00. Single copies of the Sun will sell locally at 10 cents.

Publishers of the Sierra Sun have made every effort to maintain the price established 25 years ago, but find it no longer possible to continue under present conditions at the current rate.

LOYND FILES TO SUCCEED SELF IN SCHOOL DISTRICT

Walter A. Loynd, president of the Tahoe-Truckee Unified School District board, this week filed his nomination papers which will place his name on the district election ballot on May 16. Loynd is the only member of the governing board whose term expires this year. The election is for a four-year term on the board.

The last day for filing is next Wednesday, April 16, Superintendent of Schools Al Bequette announced.

Other members of the board are Thomas Lucas of Kings Beach, Fred Pedley of Soda Springs, Stanley Martin of Tahoe City and V. C. Shattuck of Truckee.

CAPITAL MEETING ON TAHOE WATER TO PLAN PROGRAM

A meeting for the purpose of taking whatever steps are available in dealing with the threat of high water in the Lake Tahoe area during the coming season will be held in Sacramento Friday.

A. M. Barton, chief engineer and general manager of the Reclamation Board of California and chairman of the Lake Tahoe Water Conference Committee, has called the session for 10 o'clock tomorrow morning at the office of the reclamation board, 1100 O Street in Sacramento.

Level of the lake, it is held, is menaced by a heavy runoff of melting snow and the discussion of the committee will be to devise steps to keep the lake at or below the maximum elevation of 6229.1 feet permitted by law. The committee consists of six members, three from California and three from Nevada.

A higher lake level, according to Barton, would damage some beach property. Recent surveys indicate the snow runoff will be some 200 per cent above normal.

All persons interested in the matter to be discussed are asked to attend. The meeting was called at the request of Governor Earl Warren.

WSCS Meeting Held; Pie Sale Is Successful

Fifteen members attended the meeting of the Woman's Society of Christian Service held last week at the home of Mrs. R. A. Scott. The place for the next meeting will be announced later.

Members of the organization expressed their thanks to all those who helped make the recent pie sale held at Duane's Donut Shop a success. Nearly \$50 was realized from the sale.

MARKET OPENS

John Grackl this morning opened his Johnny's Meat Market in the rear of the grocery department at Truckee Mercantile. His opening ad appears elsewhere in today's Sun.

Brown Family Visits—

Mr. and Mrs. Dallas Brown and children of Oakland and Mrs. S. P. Brown of Manteca visited friends at Lake Tahoe and Truckee during the weekend.

Doolittles at Downieville—The E. B. Doolittles of Donner Summit area are now at Downieville.

Down Peninsula—

Mrs. David Rose and daughters are visiting at San Mateo this week.

Hospital Opening Is Again Delayed; Ready On Monday

Administrator Declares That
Every Detail Must
Be Ready

The Tahoe Forest Hospital will open Monday at 9 a.m.

This is the third time that the opening date has been announced, but repeated delays in making the institution completely ready have resulted in the later date.

Philip Shaw, administrator at the hospital, yesterday said that there is nothing now standing in the way of the opening with the exception of last-minute cleaning, which will consume only one day. However, with the weekend coming up, it would require overtime on the part of employees to have an earlier opening.

Shaw pointed out that hospitals are unique in that they are not like the ordinary business and cannot be opened when it may appear on the surface that everything is ready.

"Everything must be in order and no detail can be lacking," he said. "We are not dealing in everyday commodities, but with human lives, and no hospital, especially one just starting, can take a chance until every effort has been made to provide every detail required."

BIDS CALLED TO SUPPLY COUNTY WITH GASOLINE

Walter N. McCormack, Nevada County purchasing agent, this week is advertising for bids to furnish the county with diesel fuel and gasoline for the year from April 26, 1952 to April 25, 1953. Bids will be accepted up to Tuesday, April 22 at his office in the court house at Nevada City. Details will be found in legal notices elsewhere in this issue of the Sierra Sun.

QUOTA ASSURED IN LOCAL DRIVE FOR RED CROSS

Mrs. F. W. Wilson, chairman for the local Red Cross drive, yesterday announced that \$443.75 had been collected here during the recent campaign.

There are a few areas yet to be solicited and a number of the workers will make call backs where they were previously unable to contact residents, Mrs. Wilson said. It is virtually assured, she added, that the quota of \$600 will be reached.

Anyone wishing to make a contribution and who has not been contacted may call Mrs. Wilson.

Suit Filed In Placer For Wreck Damages

An action has been filed in the Placer County superior court at Auburn by Joan Kanswisher and Gladys E. Taylor, passengers in an automobile driven by Robert F. Taylor of Rochester, N. Y., for \$40,000, naming Earl L. Covey, Grass Valley automobile dealer, as defendant.

The suit is the result of an automobile collision on the Truckee to Lake Tahoe highway, near Deer Park, last November 4.

Mr. and Mrs. Taylor and their daughter, Mrs. Kanswisher, were taken to a Reno hospital following the accident and Mr. and Mrs. Covey were removed to a Grass Valley hospital. The cars collided head-on and Patrolman William Gautsche made the investigation.

Truckee Children Injured As Automobiles Collide

Minor injuries were suffered by Gale, 2, and Gregg King, 4, children of Mr. and Mrs. Cliff King of Truckee when a car driven by their mother and one operated by W. C. McPeak of Colfax collided Friday on the freeway near Bowman, Placer County. The car was damaged on the left front.

Visit Wilsons—

Mr. and Mrs. Ted O'Connor and sons, Rory, of Venice, Calif., were guests this week of Mr. and Mrs. F. W. Wilson here.

Sun Beams

by Walter M. Barrett

Public impatience over the delay in opening the new hospital is a natural reaction. Two or three times a premature announcement has been made in good faith as officials attempted to satisfy this impatience. However, unlike many other businesses, a hospital must be completely ready to the last detail and prepared for any emergency before it can accept patients. More important than the opening is the operation of the institution after it is ready for business. Since the delays have incurred primarily to assure this protection, they may be readily forgiven. It should be of considerable public pride that this district is now in possession of one of the finest hospitals that it is possible to obtain.

At this season of the year, Truckee and other small towns and cities along main traveled highways are hosts to scores of peddlers—those suitcase merchants with their smooth approach and well trained to break down strongest sales resistance. We are not confusing the door-to-door peddler with the legitimate traveling man, who is generally welcome. The peddler frequently fails to deliver and is interested only in what he can get. He never contributes to local causes. He pays no local tax and has no more interest in this community than the man in the moon. We suggest that you make it a set practice to patronize only local merchants and thus help build your community and be assured of a fair deal.

EASTER SERVICES ARE SLATED FOR CHURCHES HERE

The Easter sunrise service at the Community Methodist Church has been moved up to 7 a.m., according to Rev. A. A. Carmichael. Special music and a sermon will feature the service.

The church school program, under the supervision of E. H. Riden, will be presented at 9:30 a.m. Easter worship service, with a choir cantata and sermon will follow at 11 a.m.

Father Patrick O'Neill and Father R. Brennan will conduct the following services for the balance of Holy Week: Three hours devotion, starting at noon Good Friday in Truckee; Passion and Way of Cross, 8 p.m. at Tahoe City.

Only Holy Saturday, ceremonies begin at 8 a.m. with confessions at Truckee from 3-5 and 7-9 p.m. and at Tahoe City from 3-5 p.m.

High Mass will be celebrated at 9:30 a.m. in Truckee, with Low Masses as follows during the morning: Soda Springs, 8:00; Tahoe City, 9:00 and Kings Beach, 10:30.

Laborer Exams For State Announced Here

The California State Personnel Board announces an examination for laborer for Truckee and vicinity will be held Saturday, May 17, at the Truckee maintenance station of the Division of Highways.

Applications must be filed in person at the place of the examination between 9 a.m. and noon on the date of the examination, and must be made out on official blanks which may be obtained there.

Applicants must be citizens of the United States and residents of California for at least one year preceding the date of the examination.

Back from Hospital—

Louis Wheeler, well known local man and mechanic at Thornton's Garage, returned home last Thursday after being in a Reno hospital for treatment for some time.

Deaton Ill—

V. L. Deaton is reported ill at his home this week.

Home Again—

Miss Menia Moretta has returned from the bay district, where she recuperated from an illness.

Easter in Roseville—

Mr. and Mrs. John M. Rablin and daughter, Jesse, expect to spend Easter Sunday with Mr. and Mrs. O. J. Rablin at Roseville.

Rescue Truck Is Proposed; Study Starts By Group

Multiple Purpose Unit Is
Given Approval By
Department

Fire Chief N. F. Dolley Tuesday night proposed to members of the Truckee Volunteer Fire Department at their meeting held at Cozzi's Cafe that the unit acquire a utility truck to be equipped with a variety of important details to be used in emergencies.

The chief suggested that a small but powerful truck be fitted with a compact power plant, collapsible boat, drag hooks, stretchers and other often required paraphernalia. Al Bequette, a member of the Auburn volunteer fire department, spoke briefly on the value and utility of a similar unit acquired in the Placer city.

The idea apparently met with the approval of the firemen and a committee was named to study ways and means of implementing the idea with action. The cooperation of other civic groups in the area is being solicited. On the committee, beside the chief, are R. W. Seibold, William Curran, James Leamon, Frank Giovannoni and William Englehart Jr.

Dolley pointed out that very often a supplemental lighting system is required in rescue work or in night fire fighting and with the unit equipped with the power plant, search lights could be operated when other lights were not available.

The cost of the unit is being studied and the chief volunteered to house it free of charge for the time being at his Stone Garage.

At the present, the department has only one truck, which is well equipped for fire fighting but does not provide the many items often called for in rescue maneuvers.

If the plan goes through, the equipment would be purchased and sponsored by the members of the department and not by the fire district. This would permit its use outside the district or where ever called upon.

Birthday Party Is Given Tony Wilson

Anthony Wilson was honored at a birthday party given by his mother, Mrs. F. W. Wilson, Monday, April 7. Anthony was 11 years old. Helping him observe the occasion were Jacquie and Kenny Wilson, Jesse Rablin, Larry Reid, Sandra Van Sickle, Ray Roberts, David Reeder, Earl Wallace, Errol Kehm, Carol Ann Quilici, Glenn Sadocchi, Tommy Towler, Dorothy and Varian Frey, Marjorie King, Roberta Peden, Rory O'Connor, Janice Gray and Posten Wilson Jr.

The Easter motif was carried out in appointments. The artists' contest was won by Janice Gray with David Reeder second. Carol Ann Quilici was winner at canasta and bingo was also enjoyed.

MAY BE HOME-BOUND

Mrs. John M. Rablin received a letter this week she had written to her son, John, recently in Korea and Japan, marked "Returned to United States," leading the family to hope the veteran may be on his way home.

Smiths Here—

Mr. and Mrs. Carl Smith of San Francisco were here during the weekend checking on their Donner Lake property.

Entertain Group—

Mrs. James Leamon Monday entertained a group of young matrons who enjoyed the evening playing cards, followed by serving of refreshments.

Business in South—

Dr. Robert Affeldt has been a business visitor in southern California and the bay district.

Barnes at Rio Vista—

Mr. and Mrs. Harry Barnes and daughters spent the weekend at Rio Vista on a combined business and pleasure trip.

Oakland Visitor—

Mrs. Robert Gifford has returned from a two weeks trip to Oakland.

Return from South—

Richard Joseph and his sister, Mrs. Roxie Archie, returned from a trip to Mexico and southern Nevada.

Officers Seeking To Identify Body Found At Farad

Identity Possibilities Being
Studied by Local
Officers

The body of man, believed to have been in the Truckee River for a period of at least six months, was recovered, lodged against the screen at the Farad power house of the Sierra Pacific Power Company, Monday morning.

All efforts to identify the body failed as it was so badly decomposed that it was not even definitely determined at once whether it was a man or woman. A leather belt around the waist was the only remaining part of clothes. Deputy Coroner N. F. Dolley, who was called to take charge of the remains, reported.

Both arms were missing and even the teeth were virtually gone, the officer said.

The body was discovered by A. Mattucci, ditch tender for the power company, who had been called to clear away the debris which had accumulated on the screen which protects the turbines from becoming clogged. It was believed the body had been in the river proper until recently, as the flume had been cleaned out a few days previous.

While various theories have been advanced, no conclusions were reached as to the cause or time of death. Coroner Alvah Hooper arrived Tuesday to assist in the investigation but could add nothing to what had been revealed.

State Patrolman William Gautsche said officers of the local squad are probing the possibility that the body may be that of Con Magennis, telephone company employee, missing for the past six months. Magennis disappeared while driving between Sacramento and Reno with a companion. Gautsche said the possibility exists that the car may be in one of the deep holes along the river and that the body only recently washed out of the vehicle.

Still another but less probable theory is that it may have been the body of a Reno man lost while fishing in Independence Lake last year. The body of Frederick Cantwell, 42, who drowned a year ago, never was recovered and may have washed into the river during the months it has been missing.

LOIS HORSLEY WEDS DENVER MAN AT COLORADO NUPTIAL

Announcement has been received from Denver revealing the marriage rites March 27 at the Bethany Lutheran Church in Denver, uniting Miss Lois Ann Horsley, daughter of Mr. and Mrs. Harry L. Smith of Boulder, Colo., and Gerald Ray Harrington, son of Mrs. John Anderson of Denver.

Rev. H. Leonard Anderson performed the 8:30 p.m. ceremony, which was attended only by the immediate family. Miss Wilma Horsley attended her sister as maid of honor and William Abbott attended the groom as best man.

The bride graduated from high school in Truckee and is now a sophomore student in the University of Denver. She is affiliated with Alpha Chi Omega sorority.

The groom is a freshman at Denver University. He also served three years with the Army in World War II and was with the occupation forces in Germany.

Mr. and Mrs. Harrington will make their home in Denver where the plan to continue their education.

Truckee P. T. A. Will Meet Next Monday

The Truckee Parents and Teachers Association will meet in the Truckee Elementary School building at 8:00 Monday evening, April 14. Mrs. Les Deckwa will preside and Mrs. Fosten Wilson is to be refreshment chairman.

Community Topics Feature Club Meet

Robert Seibold presided at the meeting of the Lions Club held Wednesday evening, during which a round table discussion was held on various community topics.

Guests of the club were Larry Shenlon and Mel Throop of Lake Tahoe Lions Club and Karl Kielhofer of Truckee.

Masons Will Hold Meeting April 17

There will be a stated meeting of Truckee Lodge No. 200, F. and A. Masons, in the Masonic Hall at Truckee next Thursday, April 17. Members are urged to attend and visitors are welcome. Refreshments will be served at the close of the session.

Easter Egg Hunt Is Being Planned By Local 20.30

The 20-30 Club will hold their annual Easter egg hunt on Sunday afternoon for two groups, composed of small children up to 8 years of age and those from 8 to 12 years of age.

Those wishing to take part in the search are to congregate at the elementary school grounds at 2 p.m. April 13, according to Harvey Hocker, chairman in charge of arrangements.

Gold and silver eggs will be awarded at the close of the party.

DRUNK DRIVER IS FINED \$500 FOR SECOND OFFENSE

William Lamar Holland, 32, San Francisco mechanic, was fined \$500 when he appeared Tuesday before F. W. Wilson, judge of the Truckee judicial district, on a charge of drunk driving.

Holland was arrested Sunday by State Patrolman William Gautsche while he was allegedly driving on the wrong side of the highway at a high rate of speed along Donner Lake, nearly causing a bad accident.

Records reveal, the officer said, that Holland was convicted on a drunk driving charge in Oakland a year ago this month. He paid the fine.

JAIL CREW BUSY CLEANING STREET AS SNOW MELTED

An Easter bouquet this week to N. F. "Tom" Dolley and his gang from the jail. The local inmates, under Dolley's direction, have been taking advantage of the spring weather to brush up the main street. A truck load of litter was revealed when the snow melted and is being hauled away by Paul Rausch.

Dolley said that as soon as possible, the main street will be washed down preparatory to repainting the parking lines and getting ready for the usual heavy summer traffic.

Along the same trend, members of the chamber of commerce are discussing the possibilities of a general clean up, paint up program for the future, giving assistance where required in removing objectionable rubbish and the accumulation of winter debris.

Rausch, the local garbage collector, said that as soon as the bulk of the snow and ice is gone from the alley back of the business blocks, he will start a cleanup job there.

DELEGATES NAMED BY WYETHIA CLUB

Mesdames Fred Pedley and Oscar Beach were named as delegates from the Wyethia Women's Club to the tri-county convention of the Federated Women's Clubs to be held April 21, 22 and 23 at Richardson Springs at the meeting of the local club held at the Tahoe-Truckee High School edifice April 4.

Following the business meeting with Mrs. Dave Rose presiding, the building was open for viewing by the members. Dorene Quam played several piano selections and refreshment was served.

Frank Gaiennie will be the speaker on the program for the next scheduled meeting, April 18. Tea hostesses for the evening will be Mesdames Omar Alexander, Harvey Hocker, John Rau, James Leamon, Fred Pedley and Lorin Ferdinand.

REPUBLICANS IN COUNTY GAINING

NEVADA CITY—County Clerk Ralph Deebie reports the gap between Democratic and Republican political party registrations is closing in Nevada County as new registrants are listing themselves as Republicans and many Democratic are being changed to Republican.

He said he is not predicting the GOP voters will overtake the Democratic roster for the June 3 primary but there is a strong trend in that direction.

Registrations for the June 3rd election close today.

SOUTH TAHOE GIRL CHOSEN QUEEN OF 4TH SNOW BALL

TAHOE CITY—Most successful of all ventures was the fourth annual snow ball held at Cal-Neva on last Saturday night, April 5. Lake Tahoe lasses took top honors, with Miss Beverlee Gross, daughter of Mr. and Mrs. Harvey Gross of the Wagon Wheel at South Tahoe, crowned 1952 Snow Queen.

Runners up were Vonnie Jones of Kings Beach, representing the Lake Tahoe Ski Club; and Joanne Sims, candidate from the Brockway Rotary Club. The queen this year received a beautiful 33-inch trophy, with runners up awarded smaller trophies.

Other hopefuls included Neva Armstrong, Berkeley Ski Club; Barbara Burgess, Squaw Valley

Ski Club; Lois Beckett, Lassen Junior College Ski Club; Jean Hale, Cal-Vada Lodge; Peggy Hollister, White Hills Ski Club; Bernice Myers, Stockton Ski Club; Jeannie Rood, Lake Tahoe Lions Club; Kay Ellen Wagar, Nebelhorn Ski Club; Barbara Whitmore, George's Gateway, South Tahoe.

For the first time, selection of the queen was made by an electric applause meter, loaned for the occasion by Radio Station KOH of Reno.

The girls arrived on Saturday and were registered with Julius Gold, who served as chairman of the queen committee, at Goldcrest Resort, Braden's and Burroughs'. Various resorts were hosts to the queen candidates during their two-day stay, which was enlivened by a motor trip to Squaw Valley, accompanied by Harry

YOUNG SKIERS STAR IN MANY-EVENT SKI MEET AT TAHOE

TAHOE CITY—The Lake Tahoe Ski Club's sponsored meets here Saturday and Sunday were favored with beautiful weather, the hill was in excellent condition although the snow was somewhat soft and sticky.

A well equipped first aid station was available but unpatronized. On hand for the detail, just in case, were Mrs. Marie Henry, Jim Baker, Mike Soltau and Henry Sams.

Judges for the meet were Roy Mikkelsen, Auburn; Jerry Wetzel, Reno, and Carl Bechdolt Jr. of Tahoe City.

Nine-year-old Gary Henry, son of the Al Henrys of Tahoe City, took home the Jimmie Baker award for novice jumping, thrilled to have won at his very first competitive meet.

The Boy Scouts awards were won by Lewis Fellows, senior boys; and Rex Donaldson, junior boys.

Chet Zoberski topped the Class A FWSA jumping field, with Byron Johnson second and Dave Renner third. In Class B, Rusty Frodenberg was the winner, followed by Capt. Gilbertson and Aage Bakken, in a field of nine.

In Junior Class 1 jumping it was Dick Thomas, 1st; Jim Ford, 2nd; Rolf Wiggard Jr., 3rd. Class 3 had Darryl Stark, Dick Dorworth and Don Stark, in that order. Class 2 had Lewis Fellows, 1st; Jerry Quam, 2nd; John Robinson, 3rd. Class 4 rated Rex Donaldson, 1st; Teddy Rex, 2nd; Richard Robinson, 3rd.

Kathy Zimmerman of Reno won two championships in the girls division of the junior ski tournament, those in giant slalom and slalom. Christine Bechdolt was 2nd

Stubley, president of the host organization, the Lake Tahoe Chamber of Commerce. There the management provided an added thrill by supplying a ride to the top of Squaw Peak on the ski lift.

The girls dined at a special table at Cal-Vada Resort dining room Saturday night, after which they circulated among the guests until coronation time. The able master of ceremonies was George Lohse, Reno attorney.

Stubley spoke briefly on the history and accomplishments of the Tahoe chamber, taking the occasion to introduce other officers present.

A very large crowd attended the festivities. Special thanks were extended to the Donner Florists of Truckee, who contributed flowers for the affair.

Mrs. Harold Doig, secretary of the Lake Tahoe Chamber of Commerce, announced at Tahoe City on Monday that a directors' meeting will be held on Thursday, April 10, at the organization's office in town, to determine whether or not a new manager shall be appointed to succeed Ross Frank, former manager whose resignation was accepted recently.

in giant slalom but did not finish in slalom. Penny Jenkinson, with a 4th and a 2nd was second in combined. Marise Rau was third in combined and Mary Ann Tonini was 4th, in a field of eight.

Dee and Smiley Tschopp were one and two in the junior girls (under 12) section. Benth Rustad was 3rd and Sharon Bechdolt 4th, in the field of 11.

Lewis Fellows scored a twin win for senior boys, with Dick Dorworth 2nd in combined, John Robinson 3rd and Jay Stuart 4th in the field of 13.

Kit Schull of Donner Summit double-headed the junior boys, trailed by Rex Donaldson and Ted Rex, in the order, out of a field of ten.

In Senior boys cross country, it was Lew Fellows, John Robinson and Don Stark, leading the pack. In their jumping division the rate was Darryl Stark, John Robinson and Lew Fellows, 1, 2 and 3.

Rex Donaldson topped the junior boys in both cross country and jumping. In the former 2nd and 3rd went to Jim Huega and Kit Schull, while in the latter runners up were Teddy Rex and Kit Schull.

In the senior class combined, Lewis Fellows was 1st, John Robinson, 2nd and Dick Dorworth, 3rd. In junior boys combined it was Rex Donaldson, 1st; Kit Schull, 2nd and Teddy Rex, 3rd.

The banquet at Tahoe Inn which followed the meet was attended by 108 persons, with Bill Bechdolt as master of ceremonies. Trophies were awarded by older members of the ski club who have worked so hard to make outstanding successes of Tahoe's meets this year.

At the Friday night meeting of the club in community hall Bill Bechdolt presided. Nominations for officers were presented and will be voted on at the meeting on Friday night, April 18. There will be no meeting April 11, so all members are urged to be present on the 18th for the election of officers.

SWANEE'S Tahoe Letter

Tahoe City, April 7, 1952

Dear Tahoeites:

A meeting of import to every citizen of the Lake Tahoe area interested in aiding the growth and expansion of this region is being held tonight, Monday, at the home of Bert Anderson, Pineland developer and builder. The subject being discussed is the new law which the Placer County board of supervisors and planning commission propose for the building of future subdivision roads which could eventually be accepted by the county. A meeting was to have been held in Auburn on the subject on April 9 but due to unforeseen

circumstances, the date was moved up. Among developers who would be affected by the new law, beside Anderson, are F. A. Kilner and Co. of Homewood; Stein Nielsen, Homewood; Wayne Poulsen, Squaw Valley Development; Harry Stubble, Kings Beach; Donner Lake Development Co., and many others. Anderson believes that not only developers should show interest in this proposal but all businessmen who count on the continued expansion and growth of this area.

Have a card from Mrs. Zella Mortimer of Sacramento and Tahoe Park, who is vacationing in Fresno with friends, accompanied by her husband. They hope to return to Tahoe as soon as conditions permit to open their home here.

Also a letter from the C. O. Valentines of Costa Mesa, who are off again on a tour of interesting

California spots where spring wild flowers are in bloom. They are feeding and providing bathing for bands of robins in their sunny yard and lost all the red berries on their pyracantha bushes to the early visitors. They hope to get to Tahoe in time to see and smell the buck brush and snow bush, which should be plentiful this damp year.

Word was received from Homewood today that the four-room summer home belonging to the J. L. Walker family of Applegate had collapsed under the weight of eight feet of wet snow. House and furnishings were a total loss. The house is located on the hillside above the lake just behind Lakeview Lodge.

Arriving on Saturday morning from Hamilton Field for a few days vacation, and now guests at the C. W. Vernon home here, are Cpl. Florence Vernon, Staff Sgt. Margaret Warren and Master Sgt. Helen M. Schuyler. The girls will return to their base Wednesday morning.

Guests at the Tahoe City home of Mr. and Mrs. Carl Becholdt Sr. this week are Mrs. Gladys McCullough, Mrs. John L. Murphy, both of San Francisco, and the latter's granddaughters, Miss Lynn Martin and Miss Katharine Cox, both of Los Angeles. Expected on Thursday for a visit are Mr. and Mrs. Fred Thompson of Sonoma.

Visitors over the weekend at the Dollar Estate home of Mr. and Mrs. Roy Stark recently were their son and family, Mr. and Mrs. Rome Stark and daughter, Rolaine, of southern California.

Guests at the Harold Stark home in Tahoe City over the weekend were Mr. and Mrs. Dallas Brown and children and Mrs. Sim Brown of the east bay district.

Mrs. Mitze Cochran of Berkeley, mother of Mrs. James Baker of Tahoe City, arrived last Wednesday for a visit at the home of her daughter. Guests at the Baker home Friday included Collette Morhain, Truckee; Mike O'Rourke, Big Chief; Mr. and Mrs. Rick Burgess and Mr. and Mrs. Jack Gelmsstead and children, Joy and Albert of Tahoe. On Tuesday night the Gelmssteads hosted a dinner party for the Bakers and the Burgesses.

Weekend guest of Miss Carol Wilson of Lake Forest was her school chum, Miss Loraine Wallace of Truckee. Mr. and Mrs. Ivan Wilson were visitors in Coleville over the weekend, where they were

DEEP SNOW PREVENTS TAHOE SUNRISE SERVICE ON EASTER

TAHOE CITY—For the first time in several years, Tahoe City will have no sunrise service on the lakeshore. Deep snow remains throughout the area and such a service would be impossible.

Sunrise services will be held in the Truckee Community Methodist Church at 7 a.m., with church school service at 9:30 a.m. and Easter worship at 11 a.m. Rev. A. A. Carmichael is the pastor. At the latter worship, the choir will sing "The First Easter," with solos by Mrs. Carmichael, Mrs. L. D. Nelson, Mr. and Mrs. Gerald Waters and Ernest Douglas.

At the Catholic Church in Truckee, High Mass will be celebrated by pastor Father Patrick O'Neill at 9:30 a.m., during which the choir will be heard. Low Mass will be heard at the Corpus Christi Chapel on Highway 89, near Tahoe Tavern, at 9 a.m.

Snow Pack Drops Rapidly; 100 Inches on Monday

TAHOE CITY—The snow level at Tahoe City Monday morning had dropped to 100 inches, according to Art Frodenberg, gatetender at Tahoe City dam. This is a drop of 66 inches since March 20, when Tahoe's maximum snow level reached the highest level in 62 years of recording. Warm spring weather is responsible for the rapid drop.

Light, negligible rain visited the area during the week. The lake level Monday stood at 6227.09.

Daily high and low temperatures were March 31st: 49, 25; April 1st: 52, 22; 2nd: 49, 27; 3rd: 53, 23; 4th: 54, 25; 5th: 52, 27; 6th: 54, 30; 7th: low 34.

ADVERTISE

guests of his brother and sister-in-law, Mr. and Mrs. C. E. Wilson. Mr. and Mrs. Harry Plowe of San Mateo spent Monday to Wednesday of last week as guests of Mr. and Mrs. Phil Geier at their home in Tahoe Park.

Leave you for the week with the hope that your Easter will be a peaceful and happy one, and that the uneasy world will soon see the dawn of a real and lasting brotherhood of man. A cheery adios, as ever, Swane

LAST RITES HELD TUESDAY FOR NORTH LAKE MAN

Funeral services were held at Reno Tuesday for Leon E. Busha, who passed away at his Kings Beach home Saturday.

A native of Tacoma, Wash., he was a carpenter by trade and had lived at the lake for the past six years. He was a veteran of the first world war and was a member of the Masonic order.

Rev. J. Edward Oslund of the Lutheran Church of the Good Shepherd officiated at the last rites. Interment was in the Masonic

Red Cross Drive Extended, Still Short of Quota

TAHOE CITY—Mrs. Everett O'Rourke of Big Chief announced this week that Tahoe's quota for the Red Cross fund drive, \$1050, has not yet been reached. Approximately \$900 of the amount has been collected. She is extending the drive to April 15 to enable local residents, both year around and summer, to fill the quota.

cemetery. Sincere sympathy is extended to his widow, Hilda Busha, of Kings Beach.

Judge Denies New Trial Over Tahoe Contract

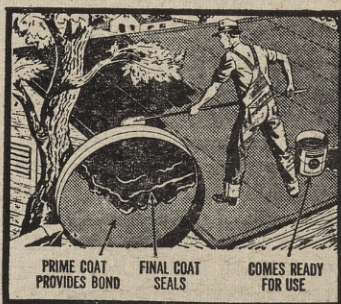

AUBURN—Judge Thomas Maul of El Dorado County has denied a new trial asked by the defense in the suit of Mr. and Mrs. B. F. Calender against W. C. Johnston.

In the original action, Judge Maul found for the plaintiffs, who sought to enforce terms of a contract to purchase Lake Tahoe property from the defendant. The latter sought to repudiate the contract.

California produces more than 200 different farm crops.

How To Put New Life Into Old Paper And Metal Roofs. There's no

time like now for money-saving action on your roofing-paper and "tin" roofs. It's so easy to preserve your roof, keep it cooler with Standard Aluminum Asbestos Coating.

Here's the routine we recommend for brush application:

1. Clean roof thoroughly.
2. Inspect for defects; if badly worn, re-roof.
3. If roof is secure, patch major holes and tears.

4. Stir Standard Aluminum Asbestos Coating thoroughly and apply with roofing brush.

5. Use long, easy strokes. One or two strokes over a given spot cause the material to flow out to a natural thickness. Further brushing results only in "balling" of the coating.

Standard Aluminum Asbestos Coating actually adds years of service to roofs. Call us about it today. We'd like to show you the service that has helped us grow in this locality.

Dutch Royal Couple Visits United States

photo Schurman

Queen Juliana of The Netherlands is on her first official visit to the United States since becoming Holland's monarch in 1948. With her husband Bernhard, Prince of The Netherlands, she will spend a few weeks in this country visiting Washington, New York and Midwestern and Western places of interest.

The royal couple has brought one of the famous Dutch carillons as a gift from the Dutch people to the American people in token of friendship; it will be erected in a national park near Washington. Left behind in Holland to go to school are their four daughters, Princesses Beatrix, 14; Irene, 12; Margriet, 9; and Marijke, 5. Photo shows the family enjoying a final tea party together just before the parents' departure for America.

RELIEF LOAD LESS IN THIS COUNTY, SURVEY REVEALS

Relief in Nevada County continues leveling off, with the February, 1952, rolls showing 1327 people receiving direct aid, compared with 1391 in February, 1951, California Taxpayers' Association reported this week.

Aid to the needy aged went to 894 people in the county for February, 1952, compared with 904 for February, 1951.

Aid to the needy blind was paid to 25 persons last February, compared with 25 for the same month in 1951.

There were 351 children on the aid to needy children rolls of the county for February, 1952, compared with 317 for February, 1951.

General county relief showed 57 people on the county's rolls for February, 1952, compared with 145 for the same month of 1951.

Statewide, there were 480,198 people on the relief rolls for February, 1952, slightly less than the 493,677 for February, 1951.

"All four kinds of relief are administered by the counties, but general relief, the one kind that shows a good-sized decrease, is controlled, as well as administered, at the grass roots—by the county governments," the association said, pointing out that "Home rule of general relief brings food results in lower relief rolls."

Statewide, general county relief rolls dropped to 56,359 in February, 1952, from 69,440 for February, 1951, it was reported.

APRIL ROUGH MONTH ON FAMISHED DEER, SAY EXPERTS

SAN FRANCISCO—That portion of California's million or more deer which suffered during recent heavy snows in the central Sierra is now believed to be "over the hump" as far as availability of feed is concerned, the department of fish and game reports.

Improved weather conditions have relieved the recent severe crisis in the eastern slope mule deer food supply but thousands of weakened animals will continue to die through the month of April. These are the deer which turned to substitute or un-nourishing foods when their normal fare was covered by record snowfalls, according to Ben Glading, chief of game conservation.

Department warden-pilots, supplemented by ground crews of state employees, spent the equivalent of 179 man-days, since mid-January in attempts at artificial feeding. The state's twin engine airplane, one of several used in the mission, rolled up a total of 50 flying hours, and dropped 64,350 pounds of feed.

Local sportsmen of Plumas, Sierra, Lassen and Modoc counties, where the snows piled up to a 60-year record level, led the feeding campaign.

State surveys on effectiveness of the feeding will be conducted in April. Game managers will check forage and deer in areas where salt, grain and alfalfa were placed against the areas where no feeding was done.

Department Director Seth Gordon asserted that artificial feeding of deer under normal winter conditions is not a wise game management practice and is contrary to the state's established policy.

"Our commission-approved non-feeding policy has been shattered to bits," Gordon said, "with the full knowledge of the fish and game commission. And it will be broken in the future when extreme conditions indicate that it is the

LAST RITES ARE HELD FOR AL RICHARDSON, SOUTH LAKE LEADER

CARSON CITY—Alonzo Richardson, owner and operator of Richardson's Camp, died Friday, April 4, in a Carson City hospital. He had been ill at the hospital for three weeks.

Richardson was born in Sterling, Ill., April 27, 1878. He moved to Pasadena in 1907 and began his business career as a livery stable pioneer and conducted one of the first auto livery in southern California.

In 1911, he moved to Lake Tahoe and operated an automobile rental business. He pioneered the first auto stage between Placerville and Tallac, Lake Tahoe, in 1912 and later made his headquarters at Tallac.

In 1923 he purchased the property now known as Richardson's Camp and has owned and operated it since.

He was a member of Lake Tahoe Lodge No. 707, F&AM, Ben Ali Temple of the Shrine at Sacramento, the Placerville Eagles and Elks Lodge No. 672, Pasadena.

He is survived by his widow, Cora Richardson; a daughter, Mrs. Florence Kinsley of Lovelock; three granddaughters, Carol Richardson of San Francisco and Barbara and Karen Kinsley of Lovelock; and a brother, Ted Richardson of Martinez.

Last rites were held Monday at 2 p.m. in the Lake Tahoe Presbyterian Church with interment in the Lake Tahoe cemetery.

Funeral services were under the direction of the Lake Tahoe Masons. The family requested that no flowers be sent but said that contributions to the Shrine Hospital for Crippled Children in San Francisco would be appreciated.

SUMMONS — No. 10118

ANTONE FILIPICIC and ANNA FILIPICIC, his wife, Plaintiffs,

vs.

A. J. HARDER, as Administrator of the Estate of A. M. Sayles, also known as Agnes M. Sayles, also known as A. M. Widener, also known as Agnes M. Widener, also known as A. M. Bishop, also known as Agnes M. Bishop, deceased; B. COOPER, also known as Benard Cooper and ANNA COOPER, also known as Anna M. Cooper, his wife; I. F. HARVEY and HANNAH HARVEY, his wife; MAE WALKER, PEARL SILL, and KARMA SUTTON, successors in interest to Sarah McKelvey; A. MAUDE ROBINSON; GEORGIA RAPP; WALTER SAYLES; also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership or any cloud upon plaintiffs' title thereto.

Defendants.

Action brought in the Superior Court of the State of California in and for the County of Nevada, and the complaint filed in the office of the County Clerk of said county.

LYNNE KELLY, Attorney for Plaintiffs, Grass Valley, California.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

A. J. HARDER, as Administrator of the Estate of A. M. Sayles, also known as Agnes M. Sayles, also known as A. M. Widener, also known as Agnes M. Widener, also known as A. M. Bishop, also known as Agnes M. Bishop, deceased; B. COOPER, also known as Benard Cooper and ANNA COOPER, also known as Anna M. Cooper, his wife; I. F. HARVEY and HANNAH HARVEY, his wife; MAE WALKER, PEARL SILL, and KARMA SUTTON, successors in interest to Sarah McKelvey; A. MAUDE ROBINSON; GEORGIA RAPP; WALTER SAYLES; also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiffs' ownership or any cloud upon plaintiffs' title thereto.

DEFENDANTS

You are hereby notified that an action has been commenced against you in the above-entitled court by the above-named plaintiffs for the purpose of determining all adverse claims to and clouds upon the title to all that certain real property situate in the County of Nevada, State of California, and more particularly described as follows, viz.:

Commencing at a point on the northerly side of the Sierra Valley Road situate North 35 degrees 07' East 208.8 feet from an iron bar at the intersection of the southerly line of East Main Street with the westerly line of Bridge Street, as per the Official Map or Plat of the Town of Truckee; thence North 43 degrees 30' West 68.98 feet along line of old fence; thence North 73 degrees 01' West 47.85 feet; thence South 34 degrees 42' West 77.14 feet along old fence; thence South 51 degrees 25' East 98.52 feet to the northerly side of the said Sierra Valley Road, and thence North 46 degrees 00' East 85.79 feet along the northerly side of said road to the place of beginning.

You are hereby directed to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the County of Nevada, State of California, within ten days after the service on you of this summons — if served within this county; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiffs will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Superior Court of the County of Nevada, State of California, this 25th day of February, A. D. 1952.

(SEAL) R. E. DEEBLE, Clerk

By Ronald B. Wakefield, Deputy Clerk.

Tahoe Area Voters to Have Choices In Justice, Supervisor Balloting

AUBURN—Contests will be waged in all three supervisorial districts in Placer County where terms are expiring and in three justice court positions at the June 3 primary election.

At Lake Tahoe, where the Tahoe City and Kings Beach judicial districts will be combined next January, C. W. Vernon and Harry

Charrison respective incumbents, will seek the single office. The Auburn justice post is being sought by Justice Jane Davis of Newcastle, K. D. Robinson and E. T. Erskine. Colfax's Justice Jean Dittmore is opposed by Frank Gillio, Colfax city attorney.

In the fourth district, Supervisor Frank Paoli will be opposed by Lynford Lardner, Reuben Robertson and Robert Hobbs. Paoli's district embraces the area on the northeastern portion of the county from Applegate to Kings Beach and the state line.

In the fifth district, made up of Forest Hill, Iowa Hill and the northwest section of Lake Tahoe from Tahoe City to the El Dorado County line, Supervisor L. L. Anderson is pitted against Cliff Hills, real estate and insurance broker.

Supervisor William Haines of the third district (Auburn and vicinity) is retiring after nearly 30 years. His place is being sought by Lawrence Black, G. O. Griffith, Charles Halstead, C. D. Locher and Wesley Waddle.

1029 Predators Are Taken

A total of 1029 predatory animals were taken by California department of fish and game hunters and trappers during February. There were 201 coyotes, 189 skunks, 147 bobcats, 30 badgers and one mountain lion among the wildlife enemies taken.

WATER SAVING PROJECT

NEW GREAT LAKE—Designed to halt the average annual loss of 33,000,000 acre feet of water through the Golden Gate, the salt water barrier shown above is proposed by the California Water, Transit and Defense Project, Inc., a non-profit corporation. As the key to a series of San Francisco Bay causeways, the 300-foot wide project would extend from Richmond to Marin County creating in the Delta one of the great fresh water lakes of the nation and bringing untold benefits to agriculture, industry and municipal water consumers. The project, according to the sponsors, would serve national defense better than any proposed steel bridge and solve many of the transbay transportation problems. The proposal shown above was designed by Allen Associates, Inc., a group of outstanding engineers, commissioned by the sponsors to develop the causeway designs as a public service. The sponsors look upon their proposals as the greatest engineering project ever offered the West.

EXAMS ARE SLATED FOR FISH, GAME JOBS IN THIS STATE

Men interested in game conservation work with the California department of fish and game may file applications with the state personnel board for two currently scheduled examinations.

Applications for fish and game warden will be accepted until April 19 and for game conservation aids until April 26.

Wardens are responsible for the patrol and investigation work involved in the enforcement of state laws for the conservation of wildlife and the protection of fish and game.

Candidates need two years of experience in state or federal fish and game, park or forestry work involving enforcement and interpretation of rules and regulations.

Game conservation aids do routine game conservation work at an assigned location. Any one or a combination of the following types of experience will qualify: six months of game management experience with fish and game, a year of field conservation work, two years of farming experience or college graduation in applicable majors.

Wardens receive a beginning monthly salary of \$295 and aids \$231. Both classes receive a five per cent increase after six months of satisfactory service and annual

SCHOOL POLL SHOWS DIET DEFICIENCIES AMONG STUDENTS

Questionnaire results at Tahoe-Truckee high school show that one-third of the students do not have sufficient food for school work during the morning. This poll of students was conducted by the student council under the direction

increases thereafter to maximums of \$358 and \$281 respectively.

Applications forms and complete information may be obtained from the State Personnel Board, 1015 L Street, Sacramento.

of Miss Thelma Finger to find if a need existed for a mid-morning snack period. Out of 150 students 22 did not have breakfast and there were 22 more who did not have an adequate one.

The council recommended that a 12-minute period be set aside for students half way through the morning as a brunch period. Students will be asked to bring from home or will have a chance to buy one or more items from the suggested menu: fruit, crackers, milk, fruit juice and sandwiches. The council passed a resolution to recommend that soft drinks and candy not be available for sale until after lunch.

It was also recommended to the faculty for consideration to set up a ten-minute afternoon break.

School hours are from 9 a.m. to 3:45 p.m., with an hour lunch recess.

If the \$7.9 billion of new money proposed for the federal foreign aid program for fiscal 1953 is voted by Congress, it will cost Nevada County taxpayers \$1,234,170, California Taxpayers' Association estimates.

NOTICE FOR PAYMENT OF COUNTY TAXES

The taxes on all personal property secured by real property and one half of the taxes on all real property for the fiscal year beginning July 1, 1951, and ending June 30, 1952, will be due on November 1, 1951, and will be delinquent on the 5th day of December, 1951 at 5 o'clock p. m. and unless paid prior thereto six per cent will be added to the amount thereof. The remaining one half of the taxes on all real property will be payable on and after the 20th day of January, 1952, and will be delinquent on the 20th day of April, 1952 at 5 o'clock p.m. unless paid prior thereto six per cent will be added to the amount thereof together with a further charge of \$1.00 for each lot, piece or parcel of land separately assessed and for each assessment of personal property.

All taxes may be paid at the time the first installment as herein provided is due and payable.

Taxes are payable at the Treasurer's and Tax Collector's office, Nevada County Courthouse, Nevada City, California.

TRUCKEE - TAHOE AREA REPRESENTATIVE

Summit Scene

by FRANK COUILLARD

If a school teacher would like to get married, she could expedite the affair by joining the teaching staff of the Donner Trail School. In the capacity of school mar'm, Barbara Burke became Barbara Zorich. Came along Pat Bowman, who changed her name to Mrs. Charlie Kemp. Which leads us to what we want to announce at the present. Last Saturday incumbent teacher, pretty Pat Adams, found herself in Reno with Gordon Butterfield, instructor in the unified schools system. Pat's folks journeyed to Reno, as did Gordon's mother, to shed the traditional wedding tears as their children were united. Dody Post lent the necessary strength to Pat in the

capacity of maid of honor, whilst Gordon leaned on Arne Madson who dashed over from Sun Valley for the occasion. The Ed LeMaire's of Reno polished off the occasion with a super reception. Mr. and Mrs. Gordon Butterfield now reside in Tahoe City, from whence Pat commutes as she carries on at the Donner Trail School.

Those who managed to leave their businesses to journey to Sacramento last Sunday witnessed the beautiful rites which made our own Peggy Crampton one of the prettiest brides of the season when she changed her name to Mrs. George Liddicoat.

Back from Sun Valley, tanned and healthful looking, are Carl Buek and his protegee, Ronnie Olsen. Ronnie, an avid fan of Dick Buek's at the point where his technique is at a tender age already compared with Dick's, was taken for Dick's

kid brother at the swank Idaho operations. Ronnie, definitely future Olympic material, has been coached by the skiing Bueks to a fine point, whilst the Soda Springs Ski Corporation backs the youngster to a full capacity as he trains for future competition. Says Carl on his return, "We just turned the kid over to the best of them and he was the sensation of the valley."

Soda Springs Hotel, at the loss of their Ray Downey, who went east to promote his new song "Lonely Wine," substituted last Saturday night with Buster Peart's four piece orchestra from Sacramento. A big crowd, a lot of fun and super music! The hotel follows up next Sunday with its annual Easter Sunday morning party for the children on the hill, invitations going out to over 60. Easter egg hunts have always been within the confines of the hotel but this year's large list of children might mean that the Easter Bunny will have to find a few nests in the cold snow.

The Saturday night before is the Beacon Hill Lodge night with Elmo and Jeannie Morianos' East er hat parade. From some of the stray remarks dropped in my presence, judge this should be a killer diller. Boxes coming into our little post office, picked up by avid patrons, contain the makings for these Easter eve bonnets. A few gentlemen, believe it or not, secretly work on their Easter hats. Remember, you can't get in without a bonnet, so if you want to join in the fun, or even witness the hilarious setup, you had better get to work on your chapeaux.

As we write, a bus load of kids are being handed shovels. These youngsters from Auburn face a long trek for they are headed for Camp Pahatsi, buried in the snow a few miles south of Highway 40. Boy Scouts a few weeks ago, who braved the deep drifts to check on their camp, found it badly bent with timbers

broken, sagging and groaning. So the Auburn kids give up a day of their Easter vacation to remove snow to save their summer playground buildings.

Roy Thompson just returns from The Cedars where he became part of a shovel for a week. Roy reports that the cabins are o.k. in this exclusive reservation, but that there is still a lot of work necessary to keep them standing. As the sun shines and our winter blanket is being thrown off, undiscovered damage is coming to light. Constant work and vigilance have saved most of the homes in the area, with few weight casualties, but tired muscles, aching backs and deep circled eyes tell a story of a winter comparable to none in snowfall. The first blade of grass that struggles thru the present pack will be greeted with great rejoicing.

Last mid-week, Peg Travis and myself took the horseshoe shaped road off Forty thru the Alta and Dutch Flat country, where the storms' havoc has thrown the apple orchards to the ground. Great is the devastation of the storms' fury which can only be compared with a hurricane. Houses torn to pieces lean crazily while loads of lumber stacked in piles where the snows have melted indicate that a rebuilding program is about to start. Tops of trees look as though they have been chewed out by the giant, gnashing teeth of the snows. Giant pines have been sawed for a passage thru the roads over which they have been thrown prostrate. We doubt, as do the natives, that the century-old apple orchards of Alta will ever lift their tired, old limbs again, for nary a leaf or speck of green indicate that they have any interest in spring.

Bumped into Ernie and Irene LePire at Donner Summit Lodge, the two having just returned from wintering in Palm Springs. Bud Horak reports Yuba City and Marysville took over DSL last Sunday, both the Fireside Room and the dining room, and a whooping good time was had by all. The California State Employees Association held their annual last Thursday at this resort. Registration for this Easter vacation week exceeds all previous, says Bud. Noted the name of Dr. H. Labhart and party from Zurich, Switzerland, on Donner Summit's register. Understand this noted European physician was visiting the Swiss musicians (Herman and Ed Geizendanner) who dominate the festivities at DSL.

Margaret Merrill and Gloria Parrott have swapped houses for this Easter week. Gloria stays in Margaret's Sacramento home with her daughters Pam and Patti, while Margaret reacquaints herself with the snow country in Gloria's mountain home, bringing with her son Duffy, whose sturdy legs are in

Tahoe Parents Asked to Register Tots Now For Fall Kindergarten

TAHOE CITY— All parents of children who will be eligible for kindergarten in September of this year at Tahoe Lake School are urged to contact Mrs. Robert Briggs at once. This will include all those children who are at least four years and nine months old by September 1, 1952. Mrs. Briggs may be reached during the day at Tahoe City 322 and in the evenings at Tahoe City 397W.

Although the regular summer round-up will be held at this school in May, the above-mentioned survey must be completed immediately.

training for the Donner Trail race in the youth department, and little Denise. Visiting the Milton Hogles is niece Karen Spickard of San Francisco. Visiting the Couillards last weekend were Frank and Virginia Wooten, the former state editor for the Oakland Tribune.

The Bill Gray family, mama Evelyn, daughters Kathleen and Marylyn, occupy the Gray home on Forty for Easter vacation. Sis Easter vacation pedhousesOBiap and Bob Leando plan on an Easter vacation weekend visiting her brother, Elmo Moriano, at Beacon Hill Lodge.

Truckeeites and mountain folk greeted one another last Sunday night at a mammoth cocktail party and banquet in Reno for the opening night of the district Rotary get together. The giant registration included between 600 and 700 guests, divided between Reno's larger hostilities. Never saw such a wholesale party and need we say, a wonderful time was enjoyed by all?

Wonderful weather seems to encourage registrants for the Donner Trail Memorial Races, for application blanks keep pouring in for the big event. Don't forget the date for our pre-race fifty cents party either—APRIL 16—and we'll be seeing you here. Remember, all mountain places close that particular night, everyone headed for our big yearly fund raising campaign party at Donner Ski Ranch for the 4th annual DTMR.

Decorations are now going up at Chantarella Lodge for the Drawing Night for the DTMR, which will be held at this place on April 18, the eve of the race.

Down Cisco way, we hear that Dot and Bert Bacon are planning a trip to England in the near, near future.

Lest we forget, the "local gal" who marries or skiing bachelor friend, Lee Perone, gives us her consent to tell you she is Mary Lou Conn of Donner Summit Lodge, and that the event will take place in Seattle some time in May.

SNELL CLIMBS OVER SNOW TO DECIDE SUMMIT FALL SUIT

NEVADA CITY— Judge James Snell of the Nevada County superior court has decided against Louis and Anna Molinari of Pittsburgh in their \$32,500 damage suit against Eva Dohring and Frank Loureance.

The suit was brought as the result of Mrs. Molinari's fall on a stairway at Skyline Lodge, Soda Springs, on July 1, 1950, when the defendants were operating the place. Mrs. Molinari received a cut on her head.

Judge Snell climbed over eight-foot snow drifts to visit the lodge January 30 to see for himself whether a piece missing from the top step of one flight could have caused the fall, as contended. In his decision he described the missing piece of wood as ¾ of an inch to an inch wide, 1½ to 2 inches long and ½ an inch deep. The break was "open and apparent" and did not cause the fall, he said.

Three days of testimony preceded the judge's visit.

"WE CLOSE THURSDAYS"

DOROTHY CARUSO, Owner and Manager

Want a lot of mileage for your money?

WE'LL admit that the price tags of automobiles—all automobiles—are what they used to be.

But it's just as true today as ever before that some price tags are lower than others, and some cars cost less to own than others.

So let's see how a Buick SPECIAL fits into the picture.

Take first cost. If you put the price tag of this Buick against price tags of cars that have always been tagged as belonging in "the low-priced field"—you'll find that, in actual dollars, a Buick's surprisingly close to these cars of lesser size and horsepower.

But that's just the beginning.

What you're getting here is Buick quality—this SPECIAL comes down the

same assembly line as SUPERS and ROADMASTERS.

Its hefty tells you it has extra sturdiness in frame and structure.

Its Fireball Engine delivers extra power. It is an eight, a valve-in-head, with high compression, and the miles you can get from a gallon of gas make it a thrifty performer.

You get Buick's Million Dollar Ride, which protects you—and the car—from jars and jolts.

Even the tires are bigger—which, any tire man will tell you, lengthens their wear.

And if you pay a bit extra for Dynaflo Drive* you're easing the strain on the engine, the rear end, the tires—and eliminating clutch repair bills.

So when we talk about "mileage for your money" we're talking about the miles you'll get from your car—including the unused miles that are what you have to sell when you trade it in.

Maybe that's why Buick's doing so well in the present market. Why not come in and see what a great car this is for you?

Equipment, accessories, trim and models are subject to change without notice. Wheel Cuts standard on ROADMASTERS, optional at extra cost on other Series. White sidewalls optional at extra cost when available. *Standard on ROADMASTERS, optional at extra cost on other Series.

Sure is true for '52

KINGS BEACH SCHOOL NEWS

Kindergarten and First Grade

Suzy Lucas has returned to school after visiting in Roseville while her parents recuperated from the flu.

We saw a movie this Friday entitled "Appreciating Your Parents" and we talked about the movie after we saw it.

Mr. Gilmore Johnson brought h's Indian exhibit to our school last week.

Diane Davis has returned to school after being in Oakland for the past three months.

Bud English visited our school last Friday and told us that Linda was attending school in Cathedral City and would not return to Kings Beach this year.

Frances Howard has returned from a trip to Mexico. She brought some cactus candy for us to eat. Lynn and Charla Norwalk brought a box of Indian pottery to school.

Richard Parr brought to school a hand made beaded puse which his mother purchased from an Indian in Arizona.

Last week Mrs. Wing showed us a film "How to Settle Disputes." This film helped us a great deal in finding ways to settle our quarrels.

Twenty-one out of 22 children received 100 per cent in spelling tests last Friday.

The 2nd and 3rd grade won the Thrift Banner again this week.

April 2, 3 and 4 from 7 to 9 p.m. the second series of parent-teacher conferences were held at Kings Beach School.

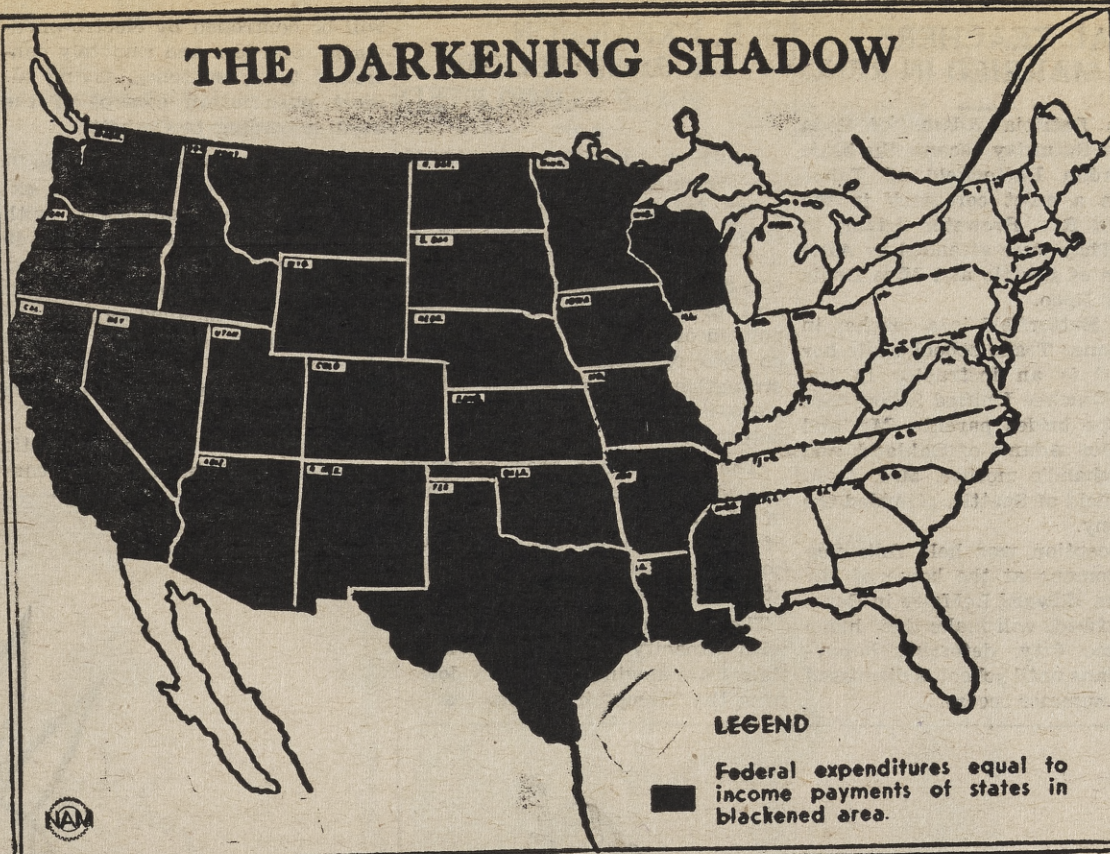

Our current social studies unit is one Canada. We are learning our tables of measure and the abbreviations for the measures.

Gwen Mizner and Carol Bailey are making good paper mache models of igloos.

We had three movies last week. They were "Settling Disputes," "California's Resources" and "Boundary Lines."

Walter Mandeville went to Colfax recently to represent the Kings Beach School in the county spelling contest.

Coffee trees bear full crops six years after planting.

Estimated Federal expenditures for 1953, under President Truman's proposed budget, would equal the incomes of all persons west of the Mississippi (the darkened area), according to National Association of Manufacturers' estimates. This is a black picture, indeed, for the American People. The tremendous increase in Federal spending is realized when it is understood that in 1929 the spending amounted to less than two-thirds of the income of those people living in California.

My Place In the Sun

by DOUG BARRETT

The Girl Scouts and Brownies are grateful indeed to Johnny and Julia Ciardella.....the girls were going to be disappointed when spring springs flooded their meeting room on the day of the Easter parties.....so the Ciardellas let them use the Capitol Hall free of charge.....and a wonderful time was had by all.....Red Jolly painting the entrance and trim at the post office.....then moving over to touch up The Pastime.....The exchanges tell us that Art Williams, a standout outfield

er with the Truckee ball club last season or so, has signed with the Roseville Gardeners in the PNL.....

Dick Joseph and Roxie Archie, back from a winter vacation in Mexico and Arizona.....homebond, they ran into Mr. and Mrs. Frank L. Titus in the Desert Inn, Las Vegas.....from whence the latter were headed to Texas on vacation.....

.....they missed George and Martha Kaspien, who were in Arizona.....but George didn't miss any more major league winter games among those training in the area than was necessary.....Most folks have a destructive streak.....if you don't believe me, ask Clarence Osburn.....

he got a lot of free labor knocking down a concrete partition at his Buick Garage.....but in the remodeling, all the work is his or his hired help's.....must admit I took a few licks with the sledge, just to prove I could do it.....Kenneth "Swede" Hedlund and wife up from the bay area.....Swede, a past prexy of the 20-30 here, helped organize and is now president of the Castro Valley 20-30 Club.....

After hearing so much tax talk of late, Ray Scott, Bank of America manager here, observes that you can't take it with you.....and the tax gatherers try to see you don't

CONTRACT IS LET ON JOB FOR CHILCOOT GRADE

SACRAMENTO —(C. N. S.)— A major road development on the Feather River Highway was announced Friday by the state department of public works.

Construction, according to Frank B. Durkee, director of public works, will be of a shorter, straighter Chilcoot Grade section between Beckwourth Pass and Hallelujah Junction. Bids have been opened for the project, with Eaton and Smith of San Francisco low bidders, asking \$407,251.80 for the job.

The project 4 1/2 miles in length

keep too much of it here, either.....hastening to add that Bank of America can help you make the most of what you do have through their varied thrift and loan services.....Earl Smith, home on leave from Navy boot training, will study an electrical trade when he heads back to base.....Science has long sought the missing link.....but I see skads of them every day, lining the highway from here to home.....links from skid chains dropped by the passing parade during our rugged record winter.....

BOXING ARRANGED BY RENO GROUP

With interested boxers wondering what weight division they will qualify for in the Olympic sectional amateur fight trials in Reno in May, the committee arranging the big ring card listed the 10 weight classes.

The weight maximums, the same as those used in the Olympic games, are as follows: 112, 119, 126, 132, 139, 147, 156, 165, 178 and heavyweight.

The committee pointed out that the 10 Olympic weight divisions—only eight are usual in AAU boxing—will benefit many fighters who ordinarily give away weight.

There are no novice, junior or senior classifications in the Olympic trials, weight classes supplying the only divisions. The Reno tournament is open to boxers in the Tahoe-Truckee area, as well as those in Nevada and other eastern California areas.

Official Here—

Al Bequette, superintendent of schools in Placer County, and Gordon Stafford, architect from Sacramento who designed the local high school, were here to meet with the school board Tuesday night.

LOCAL TEACHERS MARRIED IN RENO

Miss Patricia Adams of Soda Springs Saturday became the bride of Gordon Butterfield of Tahoe City in a quiet ceremony in the home of Rev. Brewster Adams in Reno. They were attended by Arne Madsen of Seattle and Miss Dodie Post of Reno.

Mrs. Butterfield is a teacher in the Donner Trails school while her husband is an instructor in the Tahoe-Truckee Unified School system. The brides parents, Mr. and Mrs. Don Adams of Oakland, and her husband's mother, Mrs. A. R. Butterfield of Seattle, attended the ceremony.

A reception was held following the ceremony at the home of Mr. and Mrs. Edward LeMaire in Reno. The justweds will make their home in Tahoe City, deferring honeymoon plans until school is dismissed for the summer recess.

S. P. EXPANSION AT ROSEVILLE IS HALF COMPLETED

Southern Pacific's \$4,500,000 modernization and expansion program for its yard at Roseville, among the largest in the west, is now more than half complete, it was announced this week. The first unit of the rebuilt classification portion of the yard is scheduled to go into operation this month to strengthen the railroad's transportation plant for heavy national defense traffic.

The project has been officially named the Jennings Yard, in honor of M. L. Jennings, superintendent of the Sacramento division. J. W. Corbett, SP vice president, presided at the dedication this week.

The initial unit includes 21 tracks with capacity of 1122 cars at a time. Cars moving by gravity down from the "hump" into these tracks

will be controlled by electro-pneumatic retarders and remotely controlled track switches, giving almost push-button control of the yard, according to Corbett.

In about one month the classification portion of the yard is expected to be completed, with capacity of 2500 cars on its 49 tracks, he said. The Roseville yard, even before the expansion project was launched, handled as many as 7,000 cars a day. Cars routed through Roseville from all parts of the railroad are assembled there into trains.

In addition to electro-pneumatic retarders and the remotely con-

trolled track switches, the classification units will have inspection pits and towers to speed car inspections, talk-back speakers all through the 49-track area, radio communications system, towers for overall view of operations by yardmasters and high powered lighting for night operations. The entire project is expected to be completed by year's end, Corbett said.

Oregon Vacation—

Mr. and Mrs. Carl Painter and son, Willard, left this week for a brief vacation visit to Oregon.

ADVERTISE

NO IMMEDIATE THREAT OF HIGH WATER IN STATE

Although state officials are watching central valley rivers carefully, at the present time there appears to be little danger of flood from the heavy snow pack in the Sierra.

The situation could, of course, change within a few hours if warm weather produces a heavier runoff than the channels can carry.

Governor Earl Warren, asked for his comment, told Capitol News Service that state, federal and local governments are ready to pool resources where necessary in the event of flood.

"Weather alone," he stated, "will govern the situation. However, I do not look at it pessimistically at the present time.

Snow depths appear to be dropping rapidly in the Sierra, according to reports last weekend by the state division of highways, with 189 inches then at Donner Summit and 204 inches at Soda Springs. On Highway 50 at the same time, there were 213 inches of snow at Echo Summit.

The snow pack, however, is hard and warm weather will be required to melt it faster than it is melting at the present time. It is also reported in the valley that there still is sufficient space in by-passes of the Sacramento River to hold a lot of water, CNS says.

For the most part, balmy spring temperatures have dominated the weather in this area during the past two weeks, causing the heavy pack of winter snow to diminish steadily. Overcast skies during the past two or three days have not brought any measurable precipitation locally, although some wet snow fell on Donner Summit Monday.

Cool nights and warm days have, up to now at least, moderated the expected heavy runoff but the wet, heavy pack still remains. Forecasts have been for little change in temperatures in the Sierra Nevada areas.

Birthday Today—

Miss Sharon Pace, daughter of Mr. and Mrs. A. Pace, is observing her 15th birthday today.

Doctor's Birthday—

Dr. L. D. Nelson celebrated his birthday on April 9.

Outwashes, Outlasts all others!

Ask any Maytag owner. She'll tell you that no other washer gets clothes so clean, or gives so many years of completely satisfactory performance.

Maytag's famous Gyra-foam washing action washes all dirt out quickly and safely.

The big, square aluminum tub has extra-large capacity; keeps water hot longer.

Genuine Maytag construction throughout means trouble-free service year after year, saves you time and money.

Fritzi Ritz

By ERNIE BUSHMILLER

APR.-13-

I'LL STOP IN AND SEE FRITZI --

WHERE'D YOU GET THAT THING?

OH, I BOUGHT IT IN A LITTLE SHOP TODAY

BUT IT'S JUST A PIECE OF JUNK

OH, I DIDN'T WANT THE OLD THING, PHIL-- BUT THE MAN TALKED ME INTO BUYING IT

AND YOU DIDN'T HAVE BACKBONE ENOUGH TO SAY NO

YOU'RE JUST A WEAKLING, FRITZI

SEE WHO IS AT THE DOOR

KNOCK KNOCK

PHIL IS RIGHT--I WAS A FOOL TO BUY SOMETHING I DON'T WANT

Tarzan

by EDGAR RICE BURROUGHS

AFTER EXPLAINING THE EXISTENCE OF THE WOOLLY MAMMOTH, A SCIENTIFIC PHENOMENON, JORGE DURANA SPOKE TO HIS MEN. "LET US GO, AMIGOS. WE WILL SHOW THE PRISONER WHAT WE HAVE IN STORE FOR HIM."

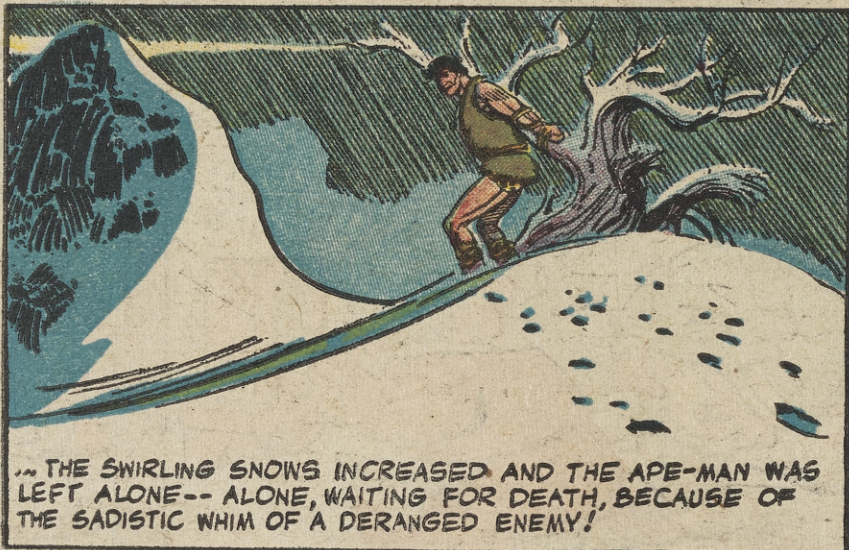

WITH NO FURTHER HESITATION THE APE-MAN WAS LED, AT GUNPOINT, DOWN AN ICY, TREACHEROUS PATH.

THE PROCESSION STOPPED BY A GNARLED TREE TRUNK. "PUT HIS EQUIPMENT ON THE GROUND," SAID JORGE -- "BUT GIVE ME THE ROPE."

SWIFTLY, JORGE TIED TARZAN TO THE TRUNK. "THIS IS THE TRAIL THE MAMMOTH TAKES WHEN IT GOES FOR FOOD. HE IS HUNGRY NOW, SENOR -- NEED I SAY WHAT WILL HAPPEN WHEN HE GETS YOUR SCENT THIS TIME?"

...THE SWIRLING SNOWS INCREASED AND THE APE-MAN WAS LEFT ALONE -- ALONE, WAITING FOR DEATH, BECAUSE OF THE SADISTIC WHIM OF A DERANGED ENEMY!

LATER, HIS ACUTE EARS CAUGHT A DISTANT TRUMPETING. EYES STRAINING, HE SAW AGAIN THIS WEIRD BEAST OF THE PAST, THUNDERING TOWARD HIM OVER THE ICY PLATEAU!
